

# Solar Essence™ can change your life – and your health – for the better!

(Therapeutic Properties, Uses & Potential Homeopathic Health Benefits)

A minimal skin care routine is simpler, easier and less expensive than the alternatives – and by keeping products organic and all-natural by using *Solar Essence*™, you can be confident that the products you are putting on your skin/body are the best. *Solar Essence*™ is extremely multi-functional and can replace many of the products in your collection of personal care items such as sprays, body lotions, hand sanitizers, cosmetics and toiletries. Streamline and revitalize your skin care routine with the healing and moisturizing properties of *Solar Essence*™. **This incredible product replaces your facial cleanser, makeup primer, makeup remover, facial moisturizer, body lotion, hand cream, sunscreen, massage oil, hair conditioner, hand sanitizer, lip balm, insect repellent, suntan lotion, foot moisturizer and even your shaving cream!** Before you buy another skincare product find out what *Solar Essence*™ (SE) has to offer!

- **Promotes Physical, Mental & Emotional Balance & Wellness** – SE contains the therapeutic benefits and properties of over 45 essential oils (EOs). Promotes rejuvenation on ALL levels. Vibrant health throughout your mind, body & soul.
- **Antibacterial Agent** – SE contains plant's natural antibiotics. Helps fight and protects against infections & disease caused by the development of bacteria
- **Anti-inflammatory Properties** – Relieves inflammatory skin conditions. Has many EOs that penetrate deep below the skin to relieve muscle pain, relax muscle spasms, alleviate inflammation, swelling, and tension.
- **Antifungal Properties** – Has several EOs that have a long history of great success to treat fungal infections (athlete's foot fungus, etc.) as a skin treatment and air-purifying agent.
- **Antiviral Properties** – Has several EOs to help strengthen & boost immune system and ward off specific viral conditions.
- **Antiparasitical Properties** – Has many of the best EOs that promote parasite cleansing/detox and to combat reinfection.
- **Antimicrobial Properties** – Has many EOs that were shown to be effective in vitro against all the 22 bacterial strains. It can help to prevent the spread of bacteria, fungi and some viruses. SE helps to boost our skin immune system.
- **Super High Antioxidant** - Loaded with antioxidant compounds (phytochemicals) that help protect our cells and boost our immune system by neutralizing disease-producing free radicals and removing their power to create cell damage and reduce our risk of developing certain types of cancer.
- **Analgesic Properties** - Has many EOs according to science to reduce/calm pain, tension & swelling (inflammation).
- **Anticonvulsant Properties** – Has several calming EOs which have anticonvulsant activity which may benefit people with epilepsy (reduce anxiety & stress).
- **Antispasmodic Properties**- Has many EOs that have been shown to help either a physical or emotional/energetic spasmodic condition.
- **Astringent Properties** – Has several EOs known for tightening and contracting skin cells.
- **Superior Hand Sanitizer** - Has the highest medicinal, antiseptic and moisturizing properties of any product on the market. It is a powerful disinfectant agent, deodorizer and a super hand sanitizer without the toxic chemicals.
- **Boost Your Skin & Body Immune System** – Has many EOs that have been recognized for their healthy immune system strengthening properties that promote immunity boosting and healing effects (both inside and out). It is **super rich in antioxidants** and also strengthens the cell membrane barriers on your skin which make it harder for bacteria and viruses to enter the body (1<sup>st</sup> line of Defense).
- **Refresh, Energize and Boost Mental Clarity & Alertness** – Has several EOs known for increasing brain power and productivity.
- **Promotes Skin Regeneration & Renewal** – Supports skin health by balancing and improving skin tone, killing bacteria, reduces swelling, irritation, redness and inflammation. Promotes the growth of new skin cells, keeps wrinkles at bay and keeps your skin looking young & glowing. Acts as a natural hydrator that can repair and moisturize dry skin.
- **Antiseptic Properties** – Has many EO's with both germicidal & bactericidal properties. Heals skin wounds & promote healing of cuts, skin lesions, skin disorders, soothes skin irritations, prevent infection and eases pain while also keeping the skin moisturized and supple.
- **Acne Treatment & Flare-ups** – Can be used as a natural alternative to drugstore & prescription acne treatment - without the side effects (burning, peeling, & crusting of the skin) of over-the-counter products containing chemicals. Has antimicrobial properties and may be effective against the bacteria that contribute to the formation of pimples, whiteheads, and blackheads.
- **Facial Cleanser/Makeup Remover/Toner** - Apply a few drops to a cotton ball. It quickly and effectively removes makeup from your eyelids, lips and skin. It's an ideal cleanser that removes make-up remnants, oil buildup, stickiness and microscopic debris/residue. Restores skin's natural pH and leaves skin feeling smooth and soft.
- **Skin/Facial Moisturizer** - Is an effective, gentle emollient that contains no additives or impurities and closely mimics the effects of sebum, the oil that your skin produces naturally. Helps seal in moisture and has soothing, healing properties.
- **Use as a Primer** – For smoother and longer lasting make-up.
- **Insect Repellent** - Contains several EOs that have natural properties to repel harmful insects like mosquitoes/bugs instead of chemical products and sprays without the side effects. *Mosquitoes hate it... butterflies, ladybugs & bees love it!*
- **Massage Oil** – Contains many of the best EOs for a deep penetrating massage with a relaxing scent that melts away stress, soothes tired muscles (muscle fatigue), tension, arthritis, joint pain, stiffness/soreness and boosts your mood at the same time. Enhances the therapeutic effect of the massage. *Has 3 distinct advantages; that of touch, smell and absorption.*
- **Sun Tanning/Sunscreen Lotion** – Just like a plant, Solar Essence™ works in harmony with the sun's solar rays. Helps block out the bad rays and absorb the healthy good ones that our bodies thrive on!
- **Shaving Cream** - Toss out the Can! Moisturizes skin and allows a razor to glide effortlessly so you'll enjoy the closest shave possible without aerosols or costly shaving cream and reduce razor burn, dryness & itching.
- **Relief From Aching Muscles** - Massage into affected area. (See "Massage Oil" above.)
- **Detoxing the Body** - Helps your body repair cells and remove toxic waste from the body. Has many EO's that migrate into the bloodstream that support the natural systems of elimination in the body including liver, colon, lymph, skin, and kidneys.
- **Sinus Congestion** - Has many EOs known to relieve sinus congestion, unblock a stuffed nose, and promote sinus drainage.
- **Circulatory Stimulant** – A topical massage can be a soothing way to help with circulation or with an EO diffuser, or add to a hot bath (10 -20 drops) and soak for 20 min. (The circulatory system consists of your heart, blood & blood vessels.)
- **Skin Balancer** - Helps to restore skin and body's pH balance.
- **Aphrodisiac Properties** - Contains a provocative blend of many mood-enhancing EOs considered to have these sensual properties for enhancing libido, euphoria, pleasure, romance & setting the mood for intimacy via a nice hot bath, diffuser or a massage, etc. *Aphrodisiacs can enhance sensual and sexual desire/energy so you can enjoy what the good Lord gave you... "Ooh La La"!*

**ARE WE CLAIMING TOO MUCH?**

## WE DON'T THINK SO!

- **Pain Relieving Properties** - For arthritis, back ache, muscle spasms, over-exercised muscles, or rheumatism massage into affected areas.
- **Eases Muscle Pain** - Helps soothe the pain of sore, tired muscles, leaving you feeling refreshed, relaxed, and oh so amazing! *Bathing with SE (10 – 20 drops or more) is a lush and luxurious way to loosen up and sooth stiff muscles.*
- **Antidepressant Properties** – Has many EOs that are primarily recognized as a drug-free, complimentary treatment option used for their aromatic effects on depression and may help to relieve some of its symptoms and manage the condition without the side effects. Whether you choose to inhale the scent directly, use a diffuser or allow it to disperse into the area is up to you.
- **Insect Bites** – Has many EOs to help soothe and relieve redness, itching, swelling, or pain from bug bites.
- **Hypoallergenic Properties** – Has many EOs which have been used as an alternative or complimentary treatment for allergy symptoms using aromatherapy.
- **Promotes Sleep Quality** – Has EOs that have anti-insomnia properties to provide a gentle aid for sleeping and for relaxation. Add to your diffuser or dab inside of nose with a Q-tip. **At bedtime:** *Use it on the bottom of your feet (there are lots of nerve endings in your feet).*
- **Promotes Hormonal Balance** – Contains many EOs known for supporting Menopause symptoms, hot flashes, night sweats, etc. (used in a diffuser).
- **Neutralizes Harmful Bacteria** – Has several EOs considered to be some of the most effective and powerful all-natural antibiotics to fight off infection and kill bacteria making them a great natural remedy.
- **Stress Reliever** - Helps alleviate anxiety, depression, mental & physical fatigue, tension & stress. (Add to your diffuser, or a warm bath and soak in it, apply to your temples, behind ears or wrist.)
- **Skin Cleansing** - Works to recycle dead cells & encourages the regeneration of new cells.
- **Gives Skin a Healthy Radiant Glow** - Designed to nourish and tone the skin for a more soft and supple look and feel.
- **Calming, Soothing & Healing Properties** - Contains many ingredients that soothe & nourish the skin. Soothes and disinfects damaged skin.
- **Reduce Stretch Marks** – Has many top EOs with amazing anti-scarring properties which assist in regeneration of scarred tissue and have proven to be effective for preventing and reducing (fade) stretch marks and help to prevent them before they appear.
- **Relieves Mental Stress** - Improves mood, calms nerves, soothes tension and helps to alleviate anxiety, aggression, agitation, anger, and nervous tension.
- **Skin Rejuvenation** - To aid in softening and rejuvenating mature skin for a more radiant, glowing, youthful complexion.
- **Air Purifier/Aromatherapy** – Ideal for freshening & cleansing. Can be used in a diffuser for environmental detoxification as a chemical free way to purify, ionize, deodorize & scent your air or to keep airborne germs away.
- **Wound-Healing Properties** – It's antiseptic, antimicrobial, antibacterial. antibiotic and antioxidant properties encourages new cell growth to promote wound healing, speed up wound closure, and promote wound shrinking. Can also help to prevent scarring or make scars less visible by increasing collagen and regenerating cell & tissue growth for burns, sores or abrasions.
- **Hair & Scalp Conditioner** - Moisturizes & nourishes the hair from root to tip. Has many EO's for improving hair health (from helping hair grow to adding strength to shine). It's extremely rich in beta carotene , vitamins (D,C, A, B, E, etc.), essential fatty acids & minerals making it highly beneficial for skin and hair. Massage it into the scalp to reduce dandruff. Apply a dime size amount, or more if needed. Let sit 10-15 min. Rinse, shampoo and style.
- **Smooth Fine Lines & Wrinkles** – It is “insanely loaded” with antioxidants, nutrients, minerals and EO's known for skin tightening and reducing the appearance of wrinkles and fine lines to help keep the skin looking youthful.
- **Nail Treatment** – Effective at keeping nail beds and cuticles supple. This may help to reduce the incidence of hangnails, and painful cracked skin around the nails. Rub SE into your cuticles after using nail polish remover which can be drying. Also, you can use it as a nighttime treatment for softening nail beds.
- **Alleviate Headaches/Migraines** - Massage into temples and along hairline or try using in a diffuser.
- **Reinvigorates the Mind & Spirit** - Has aromas that offers a stimulating effect and evokes a sense of excitement.
- **Fortifying Skin Health** - Excellent for dry, sensitive and aging skin. Improves skin regeneration. It's anti-aging & beautifying.
- **Soothes Sunburn** – Great after sun tonic, soothes and cleanses sunburns.
- **Skin Tightening /Firming Properties** - Powerful astringent properties which also makes it a muscle toner.
- **Rosacea** - Contains numerous soothing & nourishing EOs used to improve rosacea symptoms.
- **Deodorant** – No toxic chemicals (parabens) and heavy metals (aluminum) to absorb into your bloodstream. (Use may be based on one's diet and lifestyle habits.)
- **Personal/Sexual Lubricant** – Have a little fun with it!
- **Soothes & Heals Skin** – Use for damaged skin repair, itchy skin, mature skin, dry cracked or scaly skin patches (scalp, etc.) blemish-prone skin, chapped lips, bruises. hemorrhoids, rashes, skin irritations or broken skin, minor abrasions and scrapes.
- **Eczema, Psoriasis, Rosacea, Shingles, etc.** - Packed with skin friendly nutrients that can help ease insufferable skin disorders such as shingles, psoriasis, rosacea, warts, cold sores, eczema outbreak symptoms or potentially prevent outbreaks.
- **Has Calming & Balancing EOs** - Contains many EOs that helps calm and relax the mind and body to promote relaxation & restful sleep. *We highly recommend using aromatherapy for encouraging a sounder sleep.*
- **Treats Open Cuts** - Heals skin wounds, promotes cell growth and scar healing.
- **Fights Aging & Skin Damage** – Please see all the above.
- **Skin Cell Super Food** – Stimulates new cell growth. It is food for the skin at the cellular level and your skin will love you for it!
